

STATE OF TENNESSEE DEPARTMENT OF HUMAN RESOURCES

ANNOUNCED BASIS ONLY JOB CLASSIFICATIONS

Until further notice, the Department of Human Resources will not be accepting applications for admission to the examination (i.e., training and experience evaluations or written tests) for the listed job classifications. The opening of examinations for these job classifications will be announced at the request of state agencies when they wish to fill vacant positions. The [Examination Announcements](#) will be posted on the Department of Human Resources website on a bi-weekly basis and will include opening and closing dates for receipt of applications. Unless currently on the Examination Announcement, these job classifications will not appear within the Career Service Job Information search or the online employment application. However, you may obtain information about the job classifications on this list via the [Classification Information Search](#) page.

*Applications for job classifications listed in orange will be accepted on a quarterly basis [i.e. classification will be opened for a scheduled two week period once every quarter]. The first scheduled quarterly open period will be October 24th - November 7th.

*These dates are tentative and subject to change [second Tuesday in January, second Tuesday in April and second Tuesday in July].

Please note that there are approximately 200 other job classifications for which applications are accepted on a continuous basis (i.e., there are no announced "opening" and "closing" dates). You may get information regarding these job classifications at the [Career Service Job Search](#) page.
